vw passat - 1999 Volkswagen Passat

The good news is that if you are considering a 1999 Passat, most likely all the recalls and service adjustments have been done to the vehicle. Tie rod ends are known to have a short life and a campaign from VW was to replace known defective tie rod ends. Other issues like the coil packs have also probably been replaced by this time as well.

1999 Volkswagen Passat Repair? I have a 1999 VW Passat. The front left wheel well makes a loud humming sound when driven, however, the noise disappears when I turn the wheel to the left. Was told it may be an issue with the control arm. Do you have an estimate as to how much it would cost to have this replaced?
