The Widow's Offering (). 41 Jesus sat down opposite the place where the offerings were put and watched the crowd putting their money into the temple treasury. Many rich people threw in large amounts. 42 But a poor widow came and put in two very small copper coins, worth only a few cents. 43 Calling his disciples to him, Jesus said, "Truly I tell you, this poor widow has put more into the ...

Visually I would change the copper to what the current bronze is, and the bronze to a sort of dark gold color. Also maybe change the copper/tin powder texture. I really like the greenish gray for tin though. And maybe change the black diamond ore to look less like coal and more like a black emerald.

On future plans: Bugs will continue to arise and be removed in 1.6, when I plan to add a dragon or two. As far as new ores go, there will be a few more. Planned structures that didn't make the cut in 1.5 will appear in 1.6, such as pirate ships. I also hope to be able add in more magic to it, and even more bows.-Sincerely, TheTemplar
