Project Gutenberg is a wonderful source of free ebooks – particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

A Selection Of Greek Historical

Those historical dresses embraced different lush materials, complicated pleating, and layers of lace. Even the somber colonial costumes had a sense of flair (in the most puritan sense). You don't see people walking around with buckles on their hats these days, do you? So, below is just a sampling of our very broad selection of historical costumes.

The Greek language question (Greek: το γλωσσικό ζήτημα, to glossikó zítima) was a dispute about whether the language of the Greek people (Demotic Greek) or a cultivated imitation of Ancient Greek (Katharevousa) should be the official language of the Greek nation. It was a highly controversial topic in the 19th and 20th centuries, and was finally resolved in 1976 when Demotic ...

Historical swords can be used in training and live reenactments. Use common sense though, if bashing edge-to-edge. Use the right tool – a theatrical blade with rounded edges and tip. Historical swords are the kind of blades used in medieval and Renaissance fairs, Civil War reenactments and shows for fencing and simulated battles.

Classical Greek Architecture. Like most Greek visual art, building design reached its apogee during the Classical period, as the two main styles (or "orders") of Greek architecture, the Doric and the Ionic, came to define a timeless, harmonious, universal standard of architectural beauty. The Doric style was the more formal and austere - a ...
