Banished

'Banished' is particularly inspired by historical events after the landing of the first fleet, and really examines the life and times of the convicts and naval authority of the Penal Colony that would become known as Sydney. I can honestly say the overall quality of the series was really impressive.

Banished review | PC Gamer

In Banished the camera always looked down, and the higher the camera got, the more the ability to look up was limited. This was great for performance - it limited the number of objects drawn, and no graphics models needed simpler level of detail (LOD) versions. The terrain was simple.
