Chinese Business Etiquette A Guide

Perhaps the most important part of business etiquette in China is building trust, otherwise known as guanxi. This is achieved by the relevant parties getting to know each other through conversations that are not obviously connected to the business at hand. When it comes to the end of the meal, there are two things to note.

Business Culture and Etiquette in China | Today Translations

Meeting & Greeting: Greetings are formal and the oldest person is always greeted first. Handshakes are the most common form of greeting with foreigners. Many Chinese will look towards the ground when greeting someone. Address the person by an honorific title and their surname. If they want to move ...

China - Language, Culture, Customs and Etiquette

Unlike what many foreigners think, Chinese etiquette does not include bowing when greeting Chinese people. A simple, soft handshake, a smile, and a friendly ‘hi’ or ‘ni hao’ (or ‘nin hao’ to greet older Chinese people) will often suffice. When addressing Chinese people, address the eldest or most senior person first.
