History on Film/Film on History demonstrates how films can be analyzed as historical sources. It offers undergraduates an introduction to some of the first issues involved with studying historical films.

## **History on Film/Film on History | Rosenstone, Robert A ...**

The essence of the book is that film history is a new, and often, better lens to view history. In the future, film may become more important than looking at written history. The author devotes an entire chapter to Oliver Stone whose Vietnam trilogy shows a history of involvement in Vietnam that is more important than written histories.
