America in Black and White is a penetrating analysis, as well as a superb history. It should be "must" reading for anyone concerned about race relations in America. David W. Reinhard The Oregonian A conversation-stopper in the best sense.

America in Black and White: One Nation, Indivisible ...

Girl in Black and White restores Mary to her rightful place in history and uncovers a dramatic narrative of travels along the Underground Railroad, relationships tested by oppression, and the struggles of life after emancipation. The result is an exposé of the thorny racial politics of the abolitionist movement and the pervasive colorism that dictated where white sympathy lay—one that sheds light on a shameful legacy that still affects us profoundly today.
