I have an 86 John Deere 216 outfitted with an Hydraulic pump. It has a model 31 tiller with the mule drive and all covers and guards. I think that the mower is a model 46 or 47. Doesn't smoke and runs very good new seat and has about 1350 hours. I'm selling for recently developed health concerns and can't perform the model change overs. \$1100 for the package.
