them for the...

## **Lean Software Development: An Agile Toolkit by Mary ...**

What I love about the book Lean Software Development by Mary and Tom Poppendieck is that even it's subtitle is Agile Toolkit, it isn't a such a toolkit that offers ready made solutions. I've never believed this one size fits all thinking which is sometimes pushed with Scrum and Kanban literature and this is refreshing exception to that thinking.

## **Lean Software Development: An Agile Toolkit by Mary ...**

Notably, the book Lean Software Development: An Agile Toolkit, written by Mary and Tom Poppendieck, came out in 2003. This book provided a new way of looking at software development. We often wonder how this works with agile. Thankfully, the authors added the word agile to the title, so we knew we were in good hands.
