Logicomix - Wikipedia

"Logicomix" is an ambitious and inventive work that has brought arcane aspects of mathematical logic and intellectual history to a new audience. The work brims with ideas, passion, and drama. I found the graphics skillfully done, the only

flaw being the somewhat wooden and repetitious portrayals of people.

...

Logicomix is an impressive (graphic) novel, as much in scope as visually and structurally, and as a reader with some background in mathematics and

philosophy, I'm very glad that at least this kind of fiction is written.

Logicomix: An Epic Search for Truth by Apostolos Doxiadis

Content Logicomix: An Epic Search for Truth is a 2008 graphic novel by Greek writer Apostolos Doxiadis, assisted by Christos Papadimitriou, a theoretical computer scientist at the

University of California, Berkeley (and the author of a novel about Alan Turing). The novel is a biography of the British philosopher Bertrand Russell, focusing on Russell's attempt to find a secure logical ...

Logicomix Summary | SuperSummary

At its heart, Logicomix is a story about the conflict between an ideal rationality and

the unchanging, flawed fabric of reality. Reviews "A delight to the eye and the mind, a result that justifies the years of work invested in it by the authors and illustrators." – Athens Plus

Logicomix: An epic search for truth: Apostolos Doxiadis

...

Logicomix, a graphic novel, is based on the

epic story of the quest for the foundations of mathematics. This is a quintessentially modern intellectual adventure, most of whose protagonists paid the price of knowledge with extreme personal suffering and, in some cases, insanity.

LOGICOMIX - COMIC - EARLY LIFE OF BERTRAND RUSSELL

...

LOGICOMIX has many mathematical lessons, but at its core, it has one powerful, personal lesson: Russell and the gang being unable to handle "illogical" things like love and family. Young Russell's grandmother being an authoritarian control-

freak. The rise of absolutist fascism in Europe at the time. Russell's mentor spending his dying years ...

Logicomix (Book, 2009) [WorldCat.org]

Logicomix is the story of what is apparently Russell's masterwork, Principia Mathematica, in which Russell seeks to ground mathematics

in logic rather than in mere axiom. More though, as Logicomix unfolds, we see that the formation of the Principia is really Russell's struggle to impose Order on a world that seems to be built on Chaos.

Logicomix :: Review — GOOD ok bad

"Logicomix" is a graphic biography of renowned philosopher Bertrand Russell. The

book is ambitious in its aims -- to paint a portrait of Russell's life, to introduce readers to his works and to examine the link between madness and the pursuit of logic.
