Solution Manual Intermediate

Accounting is designed as a learning tool  
for students at the intermediate level,  
rather than as a comprehensive  
reference source they might use many  
years in the future.

tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice.
