The eReader Cafe has listings every day for free Kindle books and a few bargain books. Daily email subscriptions and social media profiles are also available if you don't want to check their site every day.

Mine Boy

Mine Boy was published in 1946 and is a seminal work of African fiction. While apartheid didn't become official law of the land until 1948, Abrahams describes the brutalizing social and economic separatism that was already in effect. It chills as you read to know that the injustice will only get worse and endure for another half century.

Mine Boy by Peter Abrahams - Goodreads

Touted as the first modern novel about Black South Africa, Mine Boy was first published in 1946 and it focuses on the conditions of South African Blacks living around the outskirts of Johannesburg. It's told, mostly, from the perspective of a young man named Xuma, recently having left his village in the country to live in the city and seek work.

Mine Boy - BookRags.com

Though Mine Boy was published two years before the first official apartheid law was enacted, the novel depicts the racial separation that would be increased during the apartheid era. The illegal beer selling Leah engages in results from a law that made it legal for white people to sell alcohol but prohibited black people from the business.
