American Culture Essay: Customs and Traditions of the USA

American Culture. 1480 Words | 6 Pages. Americanization Culture influences different aspects of an individual's identity. In its purposefulness, it creates a feeling of belonging and a shared lifestyle among people, while it divides the world into communities of common customs, values, religion, practices, and law.¹ American culture can be seen as more diverse and complex; however, people manage to find common ground through music, art, fashion, science, technology, worldviews and democracy.

Pop Culture Essay | Bartleby

Japanese culture The small island country of Japan is rich in a culture that has developed over thousands of years. It is very difficult to analyze another culture without some knowledge of that culture first. During my two year residency in Japan, my eyes were opened to the culture of Japan and its people and I grew to love it as much as my own.
