A refugee, generally speaking, is a displaced person who has been forced to cross national boundaries and who cannot return home safely. Such a person may be called an asylum seeker until granted refugee status by the contracting state or the United Nations High Commissioner for Refugees (UNHCR) if they formally make a claim for asylum. The lead international agency coordinating refugee ...

Guatemala's history, like that of El Salvador, is marked by authoritarian military regimes, a small landholding elite, and repression of the majority. Guatemala's case differs in that the U.S. played a deciding role in the country in 1954, covertly organizing the overthrow of a democratic government and installing a repressive authoritarian ...
