Talks In China Lectures Delivered

Talks in China (1925) has been put together from the lectures delivered by Tagore in 1924 in China where he went at the invitation of the Beijing Lecture Association. The poet gave innumerable talks, most of them delivered informally without any written notes. It is interesting to note that his China visit was the most tempestuous of all his foreign trips.

China's expanding influence. Although China has been active on a global scale for roughly 50 years since the Nixon administration's actions, the CPP has been more aggressive since President Xi Jinping took office in 2012. The goal of the CCP's foreign policy is to build a world where global leaders support Chinese interests, according Friedman.

U.S.-China Ambassadorial Talks, 1955-1970 On August 1, 1955, the United States and the People's Republic of China (PRC) opened a series of ambassadorial-level talks in Geneva to discuss the repatriation of nationals and other issues of mutual concern. Because the two countries did not have formal diplomatic relations, the talks were the principle form of contact between them for sixteen years.

Milestones: 1953-1960 - Office of the Historian

Link current material to previously-learned content and future lectures. Be explicit about how one topic connects to the next, or ask your students to explain the connections. By linking new material to previously learned content, you help students understand and organize new information in their minds. Cover only a few main points in each lecture.
