The Bell Witch left the Bell household in 1821, saying that she would return in seven years time. She made good on her promise and "appeared" at the home of John Bell, Jr. where it is said, she left him with prophecies of future events, including the Civil War, and World Wars I and II. The ghost said it would reappear 107 years later - in 1935 - but if she did, no one in Adams came forward as a witness to it.

The True Ghost Story of the Bell Witch

John Bell is the "victim" in the historic Bell Witch legend. He and his family (especially his daughter Betsy) are supposed to have been harassed by a "spirit" nicknamed the Bell Witch for many years before he was finally killed (or killed himself) by ingesting an unidentified poisonous substance.
