The Crisis of the Seventeenth Century

collects nine essays by Trevor-Roper on the themes of religion, the Reformation, and social change. As Trevor-Roper explains in his preface, “the crisis in government, society, and ideas which occurred, both in Europe and in England, between the Reformation and the middle of the seventeenth century” constituted

Century - Online Library of ...

The "General Crisis" is the term used by some historians to describe the period of widespread global conflict and instability that occurred from the early 17th century to the early 18th century in Europe and in more recent historiography in the world at large. The concept is much debated by historians;
