The making of Europe : conquest, colonization and cultural ...

This work illuminates four centuries of medieval history, from the expansion of Latin Christendom, from its base in France, Western Germany and North-Central Italy into the European outskirts, at a time of rising population, economic growth and dynamic cultural change. This expansion also saw the English colonization in the Celtic world, German immigration into much of Eastern Europe, the ...

The Making of Europe: Conquest, Colonization and Cultural ...

In The Making of Europe: Conquest, Colonization and Cultural Change 950-1350, Robert Bartlett attempts to answer two fundamental questions about the High Medieval Ages. First, how did Latin Europe, a highly differentiated society comprising only a small territory perpetually in danger from outside threats, come to spread over a continent with a more homogenized culture by the later Middle Ages.
