The Mystery of the Invisible Fund in your Portfolio. One of the earliest mistakes that I did when I started investing, was to over complicate things. I wanted to time the markets based on the news and events.

Elevators, Asset Allocation and the Mystery of the ...

The eighth book in the series, The Mystery of the Invisible Thief also ranks as one of the best. It is a well-plotted tale, unusual in that the mystery actually starts in the second chapter. There is no messing about with tricks or disguises, probably mainly because Goon is not in the first five chapters.
