### The Star Thrower Loren Eiseley

"The Star Thrower" (or "starfish story") is part of a 16-page essay of the same name by Loren Eiseley (1907–1977), published in 1969 in The Unexpected Universe. The Star Thrower is also the title of a 1978 anthology of Eiseley's works (including the essay), which he completed shortly before his death.

### The Star Thrower - Wikipedia

Edited version by James Cook The Star Thrower from The Unexpected Universe, by Loren Eiseley PART I I have caught a glimpse of what man may be, along an endless wave-beaten coast at dawn. It began on the beaches of Costabel. I was an inhumanly stripped skeleton without voice, without hope, wandering alone upon the shores of the world.

### Star Thrower Cook - Loren Eiseley

The Star Thrower is the most wonderful essay I have ever read. In his despair and personal grief Eiseley finds hope on a stormy beach in Spain. This is a profound story that my words cannot convey how powerful and precious Eiseley's words are. Read it and then become a star thrower in your life.

### The Star Thrower Quotes by Loren Eiseley - Goodreads

Loren Eiseley was an American anthropologist, educator, philosopher, and natural science writer, who taught and published books from the 1950s through the 1970s. He received many honorary degrees and was a fellow of multiple professional societies. At his death, he was Benjamin Franklin Professor of Anthropology and History of Science at the University of Pennsylvania. He was a "scholar and writer of imagination and grace," whose reputation and accomplishments extended far beyond the campus wher

### Loren Eiseley - Wikipedia

Loren Eiseley's work is outstanding for its richness and the beauty of his language and metaphors; for his ability to portray the long, slow passage of time and the meaning of the past in the present; for his portrayal of the relationships among all living things; for his concern about the future, his awareness of how man's idolization of the machine, an unthinking, unfeeling material thing, was changing the world.

### The Starfish Story | Village Starfish

Shortly before his death, Eiseley made plans for what would be his last book, published posthumously as The Star Thrower (1978). Here are late essays on the life and legacy of Henry David Thoreau, the writer to whom he turned more often than any other; thoughts on the "two cultures" he sought to bring together throughout his career; and on the relations between hard science and "awe before the universe."
