Narrator: The Vikings, in Europe of the 8th and 9th century, were dedicated to a pagan god of war, Odin. Trapped by the confines of their barren ice-bound northlands, they exploited their skill as shipbuilders to spread a reign of terror, then unequaled in violence and brutality in all the records of history.

Viking kings ruled this region until the last of them, Erik Bloodaxe, was expelled and killed in 954 and the kings of Wessex became rulers of a united England. Even so, Viking (and especially Danish) customs long persisted there and traces of Scandinavian DNA can still be found in a region that for centuries was known as the Danelaw.

The Vikings was released in 1958 and it has not aged well. Some parts of the film are unintentionally funny. When I was a kid it seemed like a great movie. It was set in the 9th century, it looked authentic and the music was memorable. In the film, Viking pirates raid Britain from Norway and rape and pillage.
